

Tackling Real Life Problems: Grades: 6—High School Bringing Together Statistics & Technology in the Math Classroom

December 7th, 2017

8:30 am—3:00 pm

@

Summit ESC

*420 Washington Ave.
Cuyahoga Falls, OH 44221*

Credit Hours: 5.5 Hours

Cost: \$ 75.00

Target Audience:

*Grade 6 – High School Math Teachers,
Coaches and Intervention Specialists*

Register Online:

<http://SummitESC.org/Events>

Our State Standards now require student understanding of the GAISE Model.

Participants will see how the GAISE Model supports student learning of statistics within the middle & high school curriculum. This session will also introduce teachers to the classroom possibilities of exploring Mathematics using DESMOS, the online calculator on OST.

Presenter:

Stephen Miller

Summit ESC Math Consultant
