**Guidelines for completing the Performance Appraisal**

The *Performance Appraisal for Certified Staff* is to be completed by the administrator or supervisor designated by the ESC Superintendent or, for LEA-assigned individuals, by the appropriate district administrator. The appraiser and the staff member will meet to discuss the appraiser’s evaluation. This meeting will focus on performance related to position expectations and on goals for improvement and growth.

Certified staff members are evaluated in six *Performance Categories*. Performance in these categories will be evaluated as:

- **Target Area** - needs improvement; growth and development in this area is necessary

The staff member and the appraiser are encouraged to enter comments on the *Appraisal Process – Comments* pages to illustrate and support the evaluation of each *Performance Category*.
