Tricia Ebner is a gifted consultant for the Summit ESC. She has served as a gifted intervention specialist, reading teacher, and English language arts teacher in Ohio and Indiana. She has participated in a wide range of roles including:

- ODE ELA Standards Advisory Committee Co-Chair
- ODE Superintendent's Assessment Advisory Committee
- Member, Ohio Educator Leader Cadre
- Ohio's Standards Advocates – ELA State Lead
- Teacher Champion, Collaborative for Student Success & My Ohio Story
- Blogger and Facilitator, Center for Teaching Quality & Teacher Leader Institute

Tricia has written a number of articles and blogs for publications including EdWeek, ASCD, and OCTELA. She has also presented at regional, statewide, and national conferences, including the NBPTS Teach&Lead, NCTE and NCME.

Some of the services that Tricia provides to districts include:

- Coordination of gifted programming, testing, and services
- Provides guidance on the identification, selection, and placement of gifted children
- Provides support on curriculum development, strategies, and material selections for classroom teachers to use in supporting gifted children in the classroom
- Assists in ongoing program review and evaluation for districts
- Provides professional development in accordance with the requirements of the Ohio Gifted Operating Standards
- Assists in the completion of required reporting on gifted identification, programs, and services
- Supports the development of Written Education Plans for gifted children
- Supports gifted intervention specialists and classroom teachers in their work with gifted children
- Facilitates professional learning in instructional shifts and standards-based instruction in ELA
