**Bio:** Steve served in Ohio's public schools for 45 years. He has tremendous experience in the leadership search process, having been on both sides as a candidate and as a search consultant. Steve has been recommended for superintendent positions by such search firms as, *Finding Leaders* and *Ohio School Boards Association (OSBA)*, and has successfully served as superintendent for 26 years in four different school districts across the state. He has also been a primary search consultant for Finding Leaders and is familiar with the search process for both superintendents and treasurers. Additionally, Steve was elected President of Buckeye Association for School Administrators (BASA) by Ohio's Superintendents, served as Executive Liaison to the State Superintendent of Schools, served on the Board of Directors for the "Alliance for High Quality Education" and was a recipient of BASA's Distinguished Service Award. As a result of successful past experiences, he maintains contact with numerous superintendents and administrators throughout the state of Ohio.
